

March 2025

Dear Vendors,

The Webster Township Historical Society is pleased to announce our ever-growing 4th annual Flea Market and Craft Show on Saturday, June 7, from 9:00 am to 4:00 pm. This event will be held, rain or shine, at the Historic Webster Village at 5583 Webster Church Road Dexter, MI 48130.

We are anticipating a great turn out! Other attractions which will also draw interest include live music and a resident blacksmith demonstrating in the Wheeler Blacksmith Shop. Snacks and beverages will be available for sale. A food truck and/or hot dog stand will also be in operation during the event.

An aggressive advertising campaign is underway to market this event. Promotions will be shared through community email blasts as well as announcements on various websites, social media and local marketing platforms. We will have a large banner along the village facing Webster Church Road, signs strategically placed at local road intersections and fliers posted in local stores and community centers.

We would love for you to share this event with us! The fee is \$30.00 for each 15x15 booth. Vendor booths will be located around the walkway of the village green so all parts of our market are handicap accessible. There will be an opportunity to set up your booth the night before the show between the hours 4-7 pm. The village will be open at 7am to set up the day of the market before it opens to the public. Tents must be secured to the ground with appropriate weights in case of wind. We will once again have Dexter High School Honors Society students volunteering to help our vendors set up and be available if anyone needs assistance.
